DC-PT Integration (Part 1) Webinar Order Form

DC-PT Integration (Part 1) – Introduction & Coding Compliance (#301)

- What can a physical therapist do for you and what are the pros and cons of a DC-PT practice?
- Learn how to set-up a DC-PT practice. Should the PT be an employee, partner or independent contractor?
- Understand your corporate structure choices.
- Learn how to find and hire a licensed physical therapist – sample classified ads are supplied.
- Why would a PT want to work for a DC? We'll let you know.
- Learn about patient flow from DC to PT and vice versa.
- Detailed descriptions of all physical therapy codes will be discussed and sample PT referral forms are provided.
- Understand how to calculate units of time for rehab procedures and find out which codes are untimed.
- Learn how to do an insurance verification for PT services and how it differs from a chiropractic verification.
- Plus, how much to charge for certain PT codes and the compliant way to collect co-pays, deductibles and co-insurance.
